## LEARN WESTERN SQUARE DANCING

The Calico Squares Western Square Dance club dances at the Tennessee Christian Preparatory School Cafeteria on Tuesdays at 7:00 p.m.—located just past the Dollar General store at 4995 North Lee Highway.

We are starting a class for new dancers beginning Tuesday, September 12, 19 and 26. After that date, the new class will be closed, and the group will go forward together to learn and enjoy Western Square Dancing. Some Line Dancing will also be taught.

A partner is needed to be brought to class with you.

Non-dancing children are not allowed, as there is no babysitting provided.

Children age 10 and above will be able to join the class and dance with the adults, but they must bring a partner.

The three dates above will have the dance lessons starting from the beginning. If you come to the first or second night and enjoy the fun, you can still invite some of your friends to come back with you the next week.

**The Calico Squares Western Square Dance Club is a family group on the campus of the Tennessee Christian Preparatory School. Smoking and alcohol are not permitted on the school grounds.**
